

Leave a Lasting Mark

This memorial is built on community love. We invite you to be part of the foundation.

Did You Know?

- Over 65% of Holland area residents own a pet.
- The Rainbow Bridge will be the first public space dedicated to pet remembrance.

A Community Effort

We are partnering with local volunteers, landscapers, and contractors to ensure this space captures the natural beauty of the Holland area.

"Until one has loved an animal, a part of one's soul remains unawakened."

Anatole France

French Poet (1844 – 1924)

A Proposal for Partnership

A Place to Remember

For many of us, pets are family. When they leave us, the loss is profound. Yet, our community currently lacks a dedicated public space to honor that bond, process grief, and celebrate the joy our companions brought into our lives.

The Solution

We are building the Rainbow Bridge Memorial—a serene, landscaped sanctuary where a collar or tag can be hung by the pet's owner to reflect, heal, and remember.

Project Features:

- **The Rainbow Bridge:** An architectural footbridge on an accessible paved area.
- **Lake Macatawa:** A quiet area filled with Holland area memories.
- **Location:** Adjacent to Lake Macatawa just east of the Holland State Park.

Why Partner With Us?

This is not just a park, it is a permanent landmark of compassion in the Holland area.

By becoming a sponsor, you demonstrate a commitment to the emotional well-being of our residents and the values we share as a pet-loving community.

Impact:

- **Community Wellness:** Support a space dedicated to mental health and grief processing.
- **Permanent Legacy:** You will be physically integrated into a space that people will visit for generations.
- **High Visibility:** The memorial will attract visitors year-round, offering ongoing recognition for your support.
